

BA(Hons) Business Management

with foundation year

EO offers an innovative foundation year to complement the Undergraduate Degrees. Our Foundation Year is the first year of a four-year degree. Completion of the foundation year leads to the first year of the 3-year degree in Business Management.

How will I be assessed?

The programme uses a wide range of assessment methods. Formative assessments will be used to monitor your progress on the course and enable your tutors to identify any support needs you may have prior to undertaking your summative assessments.

The assessment portfolio includes case study analysis, formal examinations, individual and group business reports, oral and poster presentations, multiple choice questions, individual research projects and so on. Clear assessment criteria enable you to evaluate your progress and identify areas for further improvement and development.
